

Additional Information
(related to material that follows on pages 14I-18 and 14I-19)

The Oregon Department of Transportation and Clackamas County Service District 1 will work toward clarifying roles and responsibilities for actions described on pages 14I18-19.

Clackamas County Service District 1 will develop and submit for review with the National Marine Fisheries Service action items that will benefit salmonid habitat within the Service District boundaries and the Clackamas River.
