

# WATER LEASE AND TRANSFER BUDGET FORM

<i>Itemize projected costs under each of the following categories:</i>	<b>Match Funds</b>	<b>Source</b>	<b>Match Funds Status*</b>	<b>OWEB Funds</b>	<b>Total Costs</b>
Purchase/Lease Price					
Option Cost**/**					
Appraisal/OWEB Approved Valuation**					
Ownership and Lien Report**					
Secured Monitoring Funds**					
<b>TOTALS:</b>					

\* List whether match funds are secured or pending – Section II Timeline should identify when pending match funding decisions are anticipated.

\*\* Not eligible for OWEB water lease and transfer grant funding

\*\*\* An option to purchase a water interest may be counted as match funding if the amount of the option is considered a partial payment toward the final purchase price of the water interest.

**NOTE:** If a water interest will be acquired at a price exceeding appraised fair market value, the amount of matching funds required of the applicant will be increased by the amount by which the proposed purchase price exceeds the appraised fair market value.
