Liability Self-Insurance Certificate

Introduction

Various provisions in this Certificate restrict coverage. Read the entire Certificate carefully to determine rights, duties, and what is and is not covered.

Throughout this Certificate, the words **you** and **your** refer to the Covered Entity shown in the Declarations. The words **we**, **us**, and **our** refer to the Oregon Insurance Fund.

The word **covered person** means any person or organization qualifying as such under SECTION III - WHO IS A COVERED PERSON.

Other words and phrases that appear in bolder type have special meaning. Refer to SECTION IV - DEFINITIONS.

Section I - What This Certificate Covers

Coverage A: General Liability

Except as provided under Coverage B or elsewhere in this self-insurance certificate, we will pay those sums that the covered person becomes legally obligated to pay as **damages** under the laws of any jurisdiction including the State of Oregon because of **personal injury, bodily injury, or property damage**.

Coverage B: Automobile Liability

We will pay those sums that the covered person becomes legally obligated to pay for **bodily injury or property damage** because of an accident involving the ownership, maintenance or use of an **auto** described in the Declarations.

If you authorize your staff to use a personal or private auto on entity business, he or she is responsible to carry the minimum liability insurance required by law. Their personal liability policy is primary and our coverage is secondary. If the amount of liability to third parties exceeds their private policy limits, we will indemnify them up to the limits shown below.

For both coverages, we have the right to defend any suit, even if the suit is groundless or fraudulent. We have the right to investigate, negotiate, and settle any suit or claim at our discretion. We won't defend a suit or pay a claim after the limit of coverage has been used up in paying judgments or settlements.

The coverage provided by us under Coverages A and B above shall not include coverage for punitive damages and shall not exceed the dollar amounts as follows, in any case. Those limits are:

- a. \$50,000 to any claimant for any number of claims for damage to or destruction of property, including consequential damages, arising out of a single accident or occurrence.
