

LANDOWNER/APPLICANT CERTIFICATION

Monitoring Information from Participating Private Lands is Public Record

OAR 695-005-0030 (4) states that “All applications that involve physical changes or monitoring on private land must include a landowner signature signifying their approval and understanding that all monitoring information obtained on their property is public record. An explanation must accompany the application if any of the information required on the application cannot be provided. The landowner’s signature will be required prior to the release of the grant agreement if the application is approved for funding.”

Therefore, **EITHER** the applicant must sign and date in the “For the Applicant” section below, **OR** all private landowners participating in the project must complete this form at the application stage (use additional pages, if necessary) by signing in the “For the Landowner(s)” section below.

The project will occur on (check one):

- Public land only (STOP: No need to complete the rest of the form)
 Private land only Public & private land (If you check either of these boxes, complete either of the boxes below)

EITHER

For the Applicant: I am unable to secure all landowner signatures at this time as not all landowners have been identified at the time of application. I understand that should OWEB fund this project, that OAR 695-005-0030 (4) requires me to secure all participating landowner signatures prior to the release of an OWEB grant agreement for this project.
